

## ISC Honours Saskatchewan's History With Century Family Farm Award

June 5, 2017

**REGINA, SASKATCHEWAN--(Marketwired - June 5, 2017)** - Information Services Corporation ("ISC") (TSX:ISV) is honouring 182 Saskatchewan families this June with an ISC Century Family Farm Award. The award recognizes families who have continuously maintained the same farm or ranch operation for 100 years or more.

"Saskatchewan's history has been shaped by the legacy of farms and land passed along through several generations," said Jeff Stusek, ISC President and CEO. "ISC is proud to present the Century Family Farm Award as our way of recognizing the people that carry on the tradition of the family farm."

As the exclusive provider of the land titles, surveys, personal property and corporate registries for Saskatchewan, ISC proudly supports initiatives that preserve and promote Saskatchewan history.

The ISC Century Family Farm Award program was initiated in 2007. By the time this year's program has been completed, almost 4,100 Saskatchewan farm families will have been honoured. Award celebrations will be taking place in Regina on June 6 and Saskatoon on June 7.
